**Nurturing Success of Every Child**

## More@Deeksha

### – Our Mission

"To provide an effective and caring academic environment that nurtures original thinking and creates young, confident individuals with a sense of responsibility towards society."

We understand that the

## Our Strengths

Qualified across various engineering exams : 96%

Qualified for Round 1 & 2 KVPY : 86%

Qualified in NEET : 74%

Qualified JEE Adv to enter IIT's : 55%

wellbeing of every child is a pre-requisite to enabling their academic aspirations. The Mission Statement was not a deliberate coinage but was the very expression of the core purpose of establishing the organization – that of serving the society, through an army of young, confident individuals with a sense of responsibility towards society.

## Meet The Founders

**Dr Sridhar G**  
**Founder**

Dr Sridhar G graduated from IIT

**Mrs Lalit Sridhar**  
**Founder**

With the objective of bringing about a

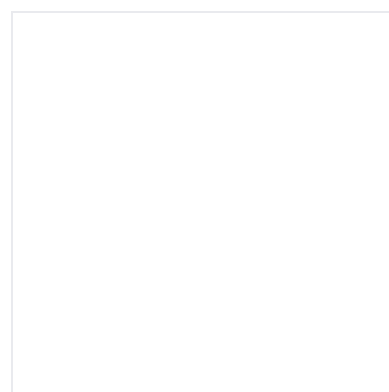

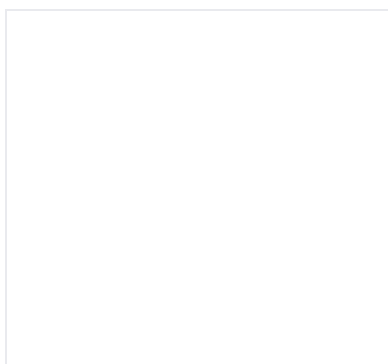

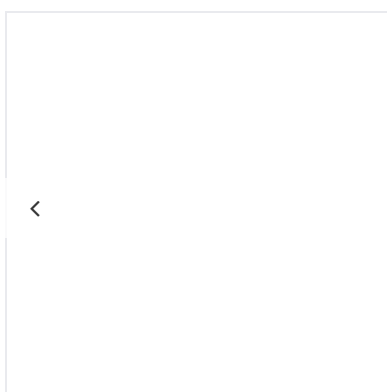

Kharagpur in 1989 with a B.Tech. in Mechanical Engineering. He went on to complete his Ph.D. in fluid mechanics from The Johns Hopkins University, USA. A strong desire to do something for the country prompted him to return to India in 1998 after a 3-year stint as a research scientist at American Standard. He then went on to establish Deeksha. change in the education system, Mrs. Lalit Sridhar founded Deeksha along with Dr Sridhar G, in 1998. She has been a driving force in providing a supportive and caring environment to over 60,000 students who have been through the Deeksha system over the years and in building the organisation from a small group of staff and faculty to a large family of 1,000 today!.
